

PUBLIC NOTICE

FROM THE CONVERSE COUNTY AIRPORT CONCERNING DISADVANTAGED BUSINESS ENTERPRISE (“DBE”) GOALS

NOTICE IS HEREBY GIVEN that Converse County, as operator of the Converse County Airport, is soliciting public comment from any group or individual wishing to comment regarding Disadvantaged Business Enterprise (DBE) programs:

A preliminary DBE goal of 5.29% for Federal Fiscal Years (FFY) 2018/2019/2020 (49 CFR Part 26) has been proposed. The preliminary DBE goal was established based on the relative availability of DBE's in relationship to all available firms. The Converse County Airport plans to achieve this overall DBE goal via race neutral means (without regard to the firm's DBE status).

A copy of the Converse County Airport DBE goal and rationale are available by email request to Kevin.Davis3@jacobs.com. A public consultation to seek input from minority, women's and general contractor groups, community organizations, and other officials or organizations which could be expected to have information concerning the availability of disadvantaged and non-disadvantaged businesses, the effects of discrimination on opportunities for DBEs, and the Airport's efforts to establish a level playing field for the participation of DBEs will be held prior to submitting the DBE goals to the FAA. The consultation will include a scheduled, direct, interactive exchange with as many interested stakeholders as possible focused on obtaining information relevant to the goal setting process. Interested stakeholders are invited to attend a meeting on Monday, May 14, 2018 at 10:00 a.m. at the Converse County Airport Terminal Conference Room, 229 Highway 59, Douglas, Wyoming. There may be additional online-only meetings to seek input on the Airport's DBE goals, and if so, the online meeting dates and times will be posted on this website as soon as they are confirmed.

The Converse County Airport also hereby solicits public comment from any group or individual wishing to comment on the above DBE overall goal or rationale. Public comment will be accepted by the Airports for 30 days from the date of this notice and should be submitted in writing to:
