Converse County	Budget Prepared by: AFS/DK (Rev 072921 by AFS)

S-A	BUDGET MESSAGE	W.S. 16-4-104(d)
<p>A two-year landfill permit extension has been obtained from the Wyoming Department of Environmental Quality - Hazardous and Solid Waste Division that will allow Cell #1 and Cell #2 to be closed simultaneously. While no longer in use, this extension of the Cell #1 permit will allow for a more cost-effective closure of both landfill cells after Cell #2 is topped off.</p> <p>The closure permit has been issued. Notifications have been prepared and mailed to all interested parties Construction is expected to commence in late Summer/Fall of 2021 and will be completed within 12 months. The transfer facility will remain thereafter.</p> <p>This budget has been adjusted to reflect actual transfer station operations for the upcoming year, which will remain in an expanded capacity after landfill closure. Closure costs are on hand, described in greater detail in Reserves, below.</p> <p>Since inception in 2004, GASWDD has historically been able to build reserves in addition to operation expenses . These reserves are now sufficient for landfill closure, statutory post-closure requirements for long-term monitoring and mitigation, and post-closure capital investments focused on transfer and recycle only.</p> <p>Accordingly, while this year will reflect the largest expenditures to date for landfill closure, the district is nonetheless reducing our mil levy request for the upcoming year to 2.0 mils, a reduction of 33%. Future adjustments may be possible, and will be based on actual, transfer-only costs.</p> <p>The Final operating budget will be impacted by Senate File 60. Item S-8 Tax levy shown herein is considered earned, but 50% of disbursements will be deferred until January 2024. Current, unrestricted operating funds are sufficient to span the interval with minimal impact to services.</p>		

S-B	RESERVE DESCRIPTION
